Version RW-2026-10-10-v2

PLEASE READ CAREFULLY. This agreement includes an assumption of risk and a limited release of legal claims, including certain claims based on ordinary negligence. Ask questions before signing.

1. Participants and covered activities

This agreement applies to the participant named below and to participation in practices, classes and related activities offered or hosted at Roots & Wisdom Studio (the Studio), operated by Roots Legacy Ventures LLC. Covered activities include movement, dance, fitness, mobility, yoga, martial arts, music and cultural practice, including Capoeira and Sitio Alegre Capoeira classes, the roda, music and instruments; Salsa; Samba; Ground-based Mobility Flow; Yoga when offered; private lessons, workshops, supervised practice, social dance events (including Salsa Socials when offered) and community classes (including the All-Kids Community Class). These are examples, not a complete list of current or future studio practices. Coverage also includes use of studio-controlled practice and common areas, floors and equipment while arriving for, attending and leaving a covered activity. It does not extend to public sidewalks, parking areas or other premises outside the Studio's control. It applies to current students, new students, members, drop-in participants and free-trial participants. For independently operated Samba or another hosted guest program, this agreement addresses the Released Parties' own premises, services and conduct; it does not replace the independent provider's waiver, registration, payment or cancellation terms, or automatically release that provider. It does not cover off-site activities, independent rentals or childcare unless separately agreed in writing. A new practice with materially different risks may require an updated or supplemental agreement before participation. Ask about activity-specific risks before joining.

2. Voluntary participation and personal boundaries

Participation is voluntary. I may decline a movement, partner interaction, physical contact or hands-on adjustment, and may pause or stop at any time. I will tell the instructor if I need a modification or do not want physical contact. I understand that instructors can provide options but cannot guarantee that an activity is suitable for my individual circumstances.

3. Activities and inherent risks

Movement practice involves exertion, balance, changes of direction, floor work and proximity to other people. Risks include slips, trips, falls, collisions, accidental contact, fatigue, dizziness, strains, sprains, bruises and other injuries, which may include fractures, concussion, serious injury, permanent disability or death. Capoeira may include kicks, sweeps, evasions, cartwheels, handstands, inversions, acrobatics and close interaction in the roda. Salsa may include turns, quick footwork, partnered movement and rotating partners. Samba may include repetitive footwork, pivots, changes of direction, vigorous exertion and footwear that affects balance or traction. Mobility Flow and Yoga may include loaded joint positions, stretching, low transitions and controlled inversions. Instruments, equipment, floors and footwear or bare feet can affect grip, balance and safety. These examples are not exhaustive. Other current or future practices may involve different movements, exertion, partner contact, equipment or instruments. Participants should ask about the specific activity and its risks before joining; these examples do not describe every future practice.

4. Assumption of inherent risks

I understand that inherent risks can cause injury or loss even when reasonable care is used. I knowingly and voluntarily choose to participate and assume the inherent risks of the covered activities. This assumption does not waive any claim that California law does not allow to be waived.

5. Health, instructions and participation responsibilities

I am responsible for considering whether I can safely participate and for seeking appropriate medical advice if I have a health concern. The Studio and its instructors do not provide medical diagnosis or treatment. I will not participate when I believe it is unsafe. I will disclose relevant participation limitations privately to the instructor, follow reasonable safety instructions, stay within my skill level, use suitable clothing and footwear, respect the space and other participants, and stop and notify the instructor if I feel unwell, dizzy or injured. I do not need to disclose a detailed medical history on this form. The Studio or instructor may pause or end participation when behavior, a health concern or failure to follow safety instructions creates a safety risk. This does not change the participant's separate payment or refund terms.

Punctuality and courtesy: Arrive on time and ready to participate. If you expect to be late, notify the Studio or instructor. Check with the instructor before joining a class already in progress; a missed warm-up or safety briefing may make it unsafe to join.

Health and safety: Stay home if you are unwell or may expose others to a contagious illness. Follow posted health and safety guidance, wear clothing and footwear suitable for the practice, and bring water. Tell the instructor privately about relevant injuries or limitations, and stop if you feel unwell, dizzy or injured.

Cancellations and refunds: Notify the Studio or the program provider as soon as possible if you cannot attend. Cancellation deadlines, refunds, credits and rescheduling follow the terms provided for your specific booking, membership or program. This waiver does not establish a new cancellation deadline or change those terms.

Instructor or schedule changes: Keep your contact information current so the Studio or program provider can reach you about instructor substitutions, cancellations or rescheduling. Check any class updates before attending. Applicable refund or credit terms remain those of your booking or program.

Respect for the space and personal belongings: Respect instructors, fellow participants and the studio space. Keep belongings clear of the practice area and take them with you when you leave. Avoid bringing valuables; the Studio does not provide secure storage. Any release of property-loss claims remains limited by section 6.

Reporting hazards: If I notice an unsafe condition, damaged equipment or another significant hazard, I will stop the affected activity and notify the instructor or studio manager. For a child, I will also share any significant concern about the child's readiness to participate.

6. LIMITED RELEASE OF ORDINARY-NEGLIGENCE CLAIMS

In consideration of the participant being permitted to participate in a covered activity or use the covered studio areas, and to the fullest extent permitted by California law, I release Roots Legacy Ventures LLC dba Roots & Wisdom Studio; Claudia Aguilar; Uriel E. Arauz individually and dba Sitio Alegre Capoeira; and the Studio's owners, instructors, employees, contractors and agents acting in connection with the covered activities (the Released Parties), from claims for personal injury, illness, death or property loss arising from the participant's covered participation or use of studio-controlled areas, floors and equipment, but only to the extent a claim is based on a Released Party's ordinary negligence. Examples may include ordinary negligence in instruction, supervision, or inspection and maintenance of studio-controlled floors, equipment and common areas. This agreement does not automatically release Isabel, Image Concepts LLC, Carisma Dance Academy or another independently operated provider; any separate provider agreement remains separate. THIS RELEASE DOES NOT APPLY TO GROSS NEGLIGENCE, FRAUD, WILLFUL INJURY OR MISCONDUCT, VIOLATION OF LAW, OR ANY OTHER CLAIM OR LIABILITY THAT CANNOT LAWFULLY BE WAIVED.

7. Parent or legal guardian consent for a minor

If the participant is under 18, the parent or legal guardian must sign. I confirm that I am the named child's parent or legal guardian and have authority to give participation consent. I have read this agreement, understand the activities and risks, and consent to the child's participation. I will explain appropriate safety expectations and share relevant limitations with the instructor. To the extent permitted by California law, I agree to the assumption of risk and limited release above on the child's behalf and release my own claims arising from the child's covered participation on the same limited basis. I understand that this does not waive claims that cannot lawfully be waived. An adult sibling, friend or other accompanying person may not sign unless they are the child's legal guardian. Each child must be named in a separate record with their own date of birth, media preference and the guardian's signature. A family booking does not sign a waiver for anyone. Each adult, including a spouse or partner, signs for themselves. When the child turns 18, they must sign an adult agreement before further participation.

8. Emergency assistance

If an emergency occurs, I authorize the Studio to contact the listed emergency contact and call emergency services when reasonably necessary. For a minor, I authorize staff to seek emergency medical evaluation when the guardian cannot promptly be reached, subject to applicable law. This does not make the Studio a medical provider, require staff to perform treatment beyond their training, or guarantee a particular response. Charges for outside medical care remain subject to the provider's usual terms and applicable law.

9. Duration, updates and existing agreements

This agreement applies prospectively from signing to the participant's future covered participation unless replaced by a new signed agreement or withdrawn in writing to hello@rootsandwisdomstudio.com. Withdrawal applies to future participation and does not undo the agreement for earlier covered participation. A replacement or supplemental waiver may be required after material changes, a new operating entity or location, or a practice with materially different risks. Staff will identify the applicable version before participation. This agreement does not release claims for incidents before it was signed, change existing membership benefits, or create cancellation, refund or payment terms. Those terms remain in the participant's separate applicable agreement. California law governs this agreement. If a provision is unenforceable, the remaining provisions apply to the extent permitted by law.

10. Optional photo and video permission

The Studio takes photographs and videos during classes, workshops and events for social media, its website, marketing and promotion of studio services. Photo and video permission is separate from participation and is not required to attend. If I choose Yes, I permit the Studio to use photos or videos showing the participant, and their voice if captured, on the Studio's website, social media, printed promotional materials and studio educational materials without payment or advance approval of each use. This permission does not authorize sale of the participant's likeness to unrelated third parties or publication of medical or emergency-contact information. I must select Yes or No to record my preference. Choosing No does not prevent me from attending. A missing choice does not grant permission. I may change my preference by emailing hello@rootsandwisdomstudio.com. Withdrawal stops new uses after a reasonable processing period; the Studio cannot guarantee removal of copies already distributed or shared by others. For a minor, the parent or legal guardian makes this choice. If I choose No, I will also tell the instructor or studio manager before class so they can help keep me or my child out of promotional footage. The Studio will honor the recorded No even if I forget to notify staff. This permission is for the Studio only and does not grant an independent instructor or program permission for their own promotional use.

11. Acknowledgment and electronic signing

I have read this entire agreement, understand the limited release and the rights it affects, and have had an opportunity to ask questions. I sign voluntarily. For electronic signing, I agree to use electronic records and signatures for this agreement. By typing my full legal name and selecting the agreement checkbox, I intend to sign this agreement electronically. If signing for a minor, I sign as that child's parent or legal guardian. I can print or save a copy before and after submitting. A paper signing option is available through the Studio.
